LAUNDRY

Personal & household (duvets, blankets) items are laundered to the highest standards returned to you folded or on hangers feeling fresh and new.

IRONING

For customers who prefer to launder their own clothes, to ensure your preference of detergents, we offer an ironing service that can be returned to you hung or folded.

BEDDING

Our bedding service is absolute quality. Laundered and pressed to give you that five-star hotel finish.

DRY CLEANING

Our "Total fabric care" program delivers consistent quality with every clean. Customers who require a more personalised service can opt for a "premier" clean which includes minor repairs and a special hand finish. As a specialist dry cleaner, we clean intricate garments like wedding and elaborate dresses, leathers and furs with the utmost care and skill required.

SHIRT SERVICE

Keep your shirts looking crisp and whether you prefer them with or without starch, folded or on hangers, we guarantee you will be delighted with the results. Collars can be stiffened to sit equally perfectly on your perfectly crisp shirt.
